WELCOME TO THE FUNNIEST CITY IN THE WORLD!

It is the beginning of a new era for the Glasgow International Comedy Festival and we are excited to bring you this year's festival line-up.

The festival is now it's 20th year and what a line-up we have in store. No one does comedy like Glasgow and there is no better way to celebrate this than through the festival. With shows and venues all over the city, across a wide variety of genres, there genuinely is something for everyone.

With thanks to Glasgow Life and all our other partners for their continued support of the festival.

Krista MacDonald
(Festival Director)

Glasgow and its people are renowned for their wonderful sense of humour, love of great banter and quick wit. Comedy is an important part of our lives and is at the very heart of our city's rich cultural offering. It's therefore not surprising that Glasgow has an outstanding reputation on the worldwide comedy stage and is home to Europe's largest dedicated comedy festival.

An unmissable highlight of our vibrant events calendar, Glasgow International Comedy Festival always offers an extensive and diverse programme of performances by brilliant established and emerging talent from near and far, attracting and delighting local, national and international audiences. A warm welcome to everyone attending or taking part – and my best wishes for a fun-filled festival and lots of laughter.

Bailie Annette Christie
(Glasgow Life Chair and Glasgow City Council Convenor for Culture, Sport and International Relations)

LOOKING FOR SOME INSPIRATION ON WHAT TO SEE?

"Glasgow defies description. Many great men and women have tried to describe its spirit and failed miserably. What do you say about a town that dances, sings, plays and jokes differently from everybody else? The winner of this Award will have to be a nutter like me..."

BILLY CONNOLLY

SIR BILLY CONNOLLY SPIRIT OF GLASGOW AWARD

The Spirit of Glasgow is a flighty and fantastic thing. Undeniable when seen, yet it's difficult to define but Glasgow International Comedy Festival with Sir Billy Connolly are determined to do just that and celebrate quintessential Weegieness during the festival's 20th outing.

An independent panel of volunteer judges from across Glasgow's cultural and comedy scenes will detect those Glaswegian traits in acts, groups and individuals registered as part of GICF23. Who seems like your best pal while giving you a slagging? Who are as warm as they are tough? Who is relatable, uncompromising, resilient and complicated?

Will it be a well-kent face or a wee upstart? Find out by joining us at the:

GICF CLOSING GALA

Sunday 2nd April
3pm
King's Theatre

A talent-crammed cheerio with the pick of acts from GICF and the presentation of the inaugural Sir Billy Connolly Spirit of Glasgow Award. Get your tickets from our website **glasgowcomedyfestival.com**.
